

Digital Skills Graphics with Canva

Course overview

This short course is for beginners to Canva who want to easily begin creating beautiful looking graphics easily and for free. Canva is a free program online to use and all you need to do is set up a free account to begin using the application.

By the end of this course, you will be able to

- Create an account with Canva: a free online graphic design software platform,
- Create professional looking graphics,
- Create your own designs using Canva such as: Invitations, Cards, Facebook posts, Posters, Logos, Brochure, Flyers

What will I study?

- Creating and setting up your account.
- Finding your way around Canva.
- Selecting pre-made layouts and templates.
- Adding artwork, images, text, and backgrounds.
- Downloading your designs.

Assessment method

You will be assessed using various assessment methods, including individual digital assessment of your understanding and group work.

Entry requirements

No prior knowledge of Canva or graphic design theory are needed as Canva provides free templates and graphics to use.

What should I bring with me?

You will need to take notes so make sure you have your preferred tools in easy reach, such as pen/paper or electronic device.

Key information

This course will be onsite in the college. In the event of a lockdown, it may be moved online and take place via MS Teams.
